How much time does your child spend on the Internet? Texting? What precautions have you put in place to protect your child from the dangers that await in the endless and unmonitored frontier of the Internet? Join us for a presentation by FCPD Child Exploitation Squad that covers but is not limited to:

- child predators on the Internet
- issues related to texting, the impact on children and the subsequent dangers to them
- things parents can do to prevent/report child predator offenders

This is an incredible opportunity to gain valuable information straight from 2<sup>nd</sup> Lt. Hargus of the Fairfax County Police Child Exploitation Squad.
