Minutes From March 2023:

- Discussed kindergarten registration April 14
- Discussed library mural, draft murals have been provided.
- Funding for photography club was doubled at the last board meeting, most will go to Mrs. Cummings for the time she has spent with the club. The club has been much larger than originally anticipated. There will be a photography club gala in May.
- Fund was also created for food cart for Mrs. Westphal, hoping to start this after spring break

- Actively seeking president and treasurer for next year
- Also need additional chairs positions: Flyers, Watchdog, Cub-Run-A-Thon, Web Master / Excel spreadsheet guru, Water gopher
- Teacher reimbursements are closed
- Volleyball Night coming up this friday
- Talent Show coming up at end of April

Amanda Fletcher (Lexia District Success Manager, former FCPS teacher)

- Discussed Lexia program which FCPS wanted to make available to all K-6 students
- Core 5 (K-6) and Power up are being implemented (6th and up)
- Teachers are provided with usage data to be able to monitor their students progress
- Core 5 designed to support teachers, engages interest in young readers, adapts to needs of readers, based on science of reading.
- 21 levels, 1 level takes about 6 weeks to complete.
- 1-time auto placement takes place when student logs in, this places them at a certain level with recommended usage limit per week
- Teachers will get feedback about areas that student is struggling with for targeted instruction
- Discussed Power Up
- Each school has a lexia project manager to support the program
